

We started our journey because we love great Whisky.

12 INYA featured one of the largest selections of Whisky in Myanmar, and our goal is to create a unique experience.

Alongside hand-crafted cocktails, cigars, live music, and fine Asian Fusion Cuisine, 12 INYA has a unique membership program offering guests the opportunity to further explore the spirits via education and experimentation, with tasting featuring master distillers, an international brand ambassador, and notable members of the liquor industry so do not hesitate to contact us to find out more.

12 INYA Solist Vinho Barrique Single Malt X Kavalan  
Kavalan Distillery has been a pioneer in the single malt art in Yilan Country Taiwan since 2005 and is also the name of the first tribe that lived in the mountain area where the distillery was built.

A unique and exclusive single malt only available at 12 INYA
